

Hello Vaccine Choice Canada Members, Subscribers  
& Supporters, and Freedom Lovers Everywhere,

On Tuesday September 19th at 7:00pm EDT, Margaret & Joel will make a Presentation, also know as a Delegation, to Aurora Town Council.

While the subject of 15 Minute Cities will be mentioned during our presentation, the focus will be on the bigger picture of the Town of Aurora, and indeed the whole of York Region, adopting policies and measures, (known as the "Strategic Plan"), laid down by foreign entities and NGO's, (Non Governmental Organizations). Some prominent examples of NGO's are The United Nations, The World Health Organization and The World Economic Forum. In fact, the genesis of 15 Minute Cities are the Strategic Development Goals laid down by the United Nations.

This is being done in Aurora and many towns and municipalities in York Region, across Ontario and all of Canada.

We will certainly make our Mayor and all Town Councillors in attendance aware that the citizens of Aurora have not been properly informed of these policies and measures and that they have not been given the opportunity to vote on them.

**It is absolutely critical that we fill every seat in the public gallery at this Council Meeting. Only then will Council understand that we have serious and legitimate concerns that must be properly addressed.**

**PLEASE SAVE THE DATE: TUESDAY SEPTEMBER 19TH-7:00PM EDT.**

**LOCATION: AURORA TOWN HALL - 100 JOHN WEST WAY, AURORA, ONTARIO. L4G 6J1**

**THE MEETING WILL BE HELD IN THE MAIN COUNCIL CHAMBERS.**

**Your in person attendance is critical to the success of our Delegation!**

**Please bring with you as many like minded friends who value their freedom as you possibly can!**

**Please plan to arrive by 6:45pm to ensure you get seats in the public gallery!**

**We are all in this together - for Canada, to preserve our way of life and our God Given Freedoms!**

**Together - we can make a difference!**

**In Appreciation!!!**
